1. Harrison Avenue (south); after passing HARTS RV, turn left on Highway 2 (heading towards Whitehall)
2. Travel about 1.53 miles on Highway 2 and turn right on Janney Road (Terra Verde Heights)
3. Approx 0.65 miles, there is a "Y" in the road, stay to the right (on Janney, left is Terra Verde). Follow road up into the "S" Curve and up the hill onto the top. (0.7
4. miles from the "Y")
5. At the top of the hill there is a house on your right and mailbox group on your left.
6. Turn left and drive through open green gate (the one on the main road not to your right).
7. Drive down old railroad bed about 1.35 miles. Do not turn off just stay on main road. At about 0.9 miles there is a good road that takes off to the right, don't take it! Go on the left branch.
8. After passing through the last road cut, and at about 1.35 miles there will be a log home to the left, road to the right (small green ground transformer near the edge of the road). Take the road to the right and go up the hill (if you go straight, you will hit a gate).
